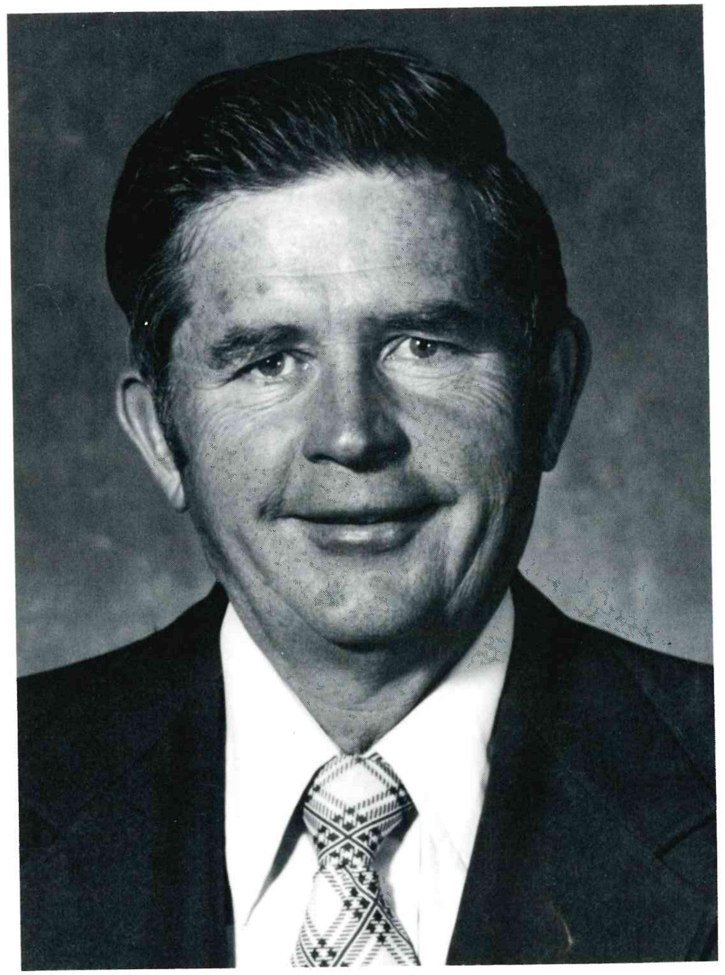
Special Thanks To Mike Sterkowitz



Over the years, many lives were touched by Ross D. Hansen. He brought enthusiasm and desire for knowledge to our schools. His creative teaching presentation and sense of humor not only enlivened, but also created a unique classroom atmosphere in which students eagerly gained knowledge. It is with great pride from the many of us on the annual staff who were honored to know him, that we dedicate this yearbook in his memory.

Never Say Quit
Life is queer with its twists and turns,
As everyone of us learns
And many a failure turns about
When we might have won had we stuck it out!
Don't give up . . . tho the pace seems slow,
you may succeed with another blow.
Success is failure turned inside out
The silver tint of the cloud of doubt.
And you can never feel how close you are,
It may be near when it seems afar.
So stick to the fight when you are hardest hit . . .
It's when things seem worst that you musn't quit.
